¹Guideline Presentence - Reports that are prepared in felony or class A misdemeanor cases for which the U.S. Sentencing Commission has promulgated a guideline. The report is the result of a comprehensive investigation.

²Non-Guideline Misdemeanor (Petty) - Reports that are prepared for class B or C misdemeanors in a format designed specifically for these types of offenses. The format is a condensed version of the guideline presentence report without guideline-related headings.

³Non-Guideline Presentence - Reports that are prepared for certain felonies and class A misdemeanors prosecuted in the federal courts for which the U.S. Sentencing Commission has not promulgated a guideline, nor is there an analogous guideline which can be used. These cases are typically assimilative crimes prosecuted under 18 U.S.C. § 13 or crimes committed on Indian Country and covered under 18 U.S.C. § 1153(b). Also includes reports for crimes committed prior to the passage of the Sentencing Reform Act.

⁴Treaty Transfer Postsentence Report - Reports that are prepared for the Parole Commission on American citizens who have been imprisoned in foreign countries and have been returned to the United States under treaty agreements. The officer prepares the treaty transfer postsentence report using the guideline presentence report format. Because the Parole Commission will resentence the offender under the guidelines, all of the sections of the report, including the recommendation, apply.

⁵Supplemental Reports - Reports following sentencing when a presentence report was not prepared for any defendant who did not receive a presentence report, received a commitment to the Bureau of Prisons, and has at least nine months imprisonment remaining to be served. The supplemental report to the Federal Bureau of Prisons helps the Bureau in classification and designation procedures.

⁶Modified Guideline - Reports that are prepared if the court determines that it has most of the information it would need to impose a sentence, and additional information is not needed to make a Bureau or Prisons designation or programming decision or for post-conviction supervision. The report is the result of a less comprehensive investigation than a full presentence report.
