Comments:

At its November 18, 2003 meeting, the Committee on
Courts of Appellate Jurisdiction of the New York State
Bar Association approved the proposed FRAP 32.1 for
the reasons set forth in the May 22, 2003 Report of
the Advisory Committee on Appellate Rules. Our
committee has instructed me to bring this position to your
attention.

This position is solely one of NYSBA's Committee on
Courts of Appellate Jurisdiction and not the Association
as a whole unless and until approved by the
Association's Executive Committee. When and if the Executive

Administrative Office of the U.S. Courts.

If you have any
questions about this recommendation, please do not hesitate
to contact me.

Thank you for your attention and
