Dear Committee –

With respect to Official Form 61 – I propose that a line be included to reflect if the debtor is using savings (retirement or otherwise) to balance his or her budget. Line 8h refers to “Other monthly income” but the use of savings or a home equity line of credit, or other sources would not be reflected as income. This comes up from time to time to deal with reaffirmation issues in order to overcome hardship concerns.

Thank you.
