**Subject:** Comment: Proposed Changes to Code of Conduct for U.S. Judges and Judicial Conduct and Disability Rules  
**Date:** Friday, October 12, 2018 1:47:42 PM

---

On behalf of Rebekah Caperon (Individual)  
Comment on both Code and JC&D rules

The Code of Conduct for US Judges and JC&D rules should include specific language on abusive, harassing and inappropriate behaviours, and should include conduct occurring outside the performance of official duties.

The committee should adopt all changes proposed and should additionally adopt a resolution that the changes apply to the Supreme Court of the United States.
