Note: Section 101 of the U.S. Bankruptcy Code defines consumer (nonbusiness) debt as that incurred by an individual primarily for a personal, family, or household purpose. If the debtor is a corporation or partnership, or if debt related to operation of a business predominates, the nature of the debt is business. Data are for cases filed on or after October 17, 2006, and closed during the reporting period. Mean and median time intervals not computed when fewer than 10 cases reported.

¹ Excludes reopenings.

² Includes cases filed under chapters 7, 11, and 13 of the bankruptcy code.

³ In cases closed under chapters 11 and 13, the debtor(s) may or may not have completed plans at the time of closing.
